

Global test technology - UK expertise

Terotest is now the exclusive representative in the UK for **In-circuit testers** from Aeroflex (formerly Marconi Instruments), **Functional testers** from Cimtek (formerly Wayne Kerr) as well as **High Voltage test systems** from Adaptronic.

In combination with our own production proven ATE, we now offer an unrivalled range from which to select your next automatic test system.

We are a dedicated team of ATE specialists able to advise, supply and support your requirements.

If you thought you couldn't test it...
...talk to us on **01462 742499**
or e-mail **info@terotest.com**

Think ATE, think...
